

Trash Service Updates

Updated: September 1, 2017

Waste Management Regular Service:

Trash, Recycling, Green Waste, Bulky Pick-up

Service days are pushed forward 2 days this week only. Thursday service areas will be serviced Saturday, September 2, 2017; Friday service areas will be serviced on Sunday, September 3, 2017.

- The service schedule will return to normal next week [Week of September 4, 2017.]
- Available services the week of August 28 include trash, yard trimmings and bulk pickup.
- Recycling service is NOT available this week due to flooding issues with our regional processing facility. Recycling will resume the week of September 4, 2017.
- [Please continue to follow all normal solid waste guidelines.](#)
- Labor Day will NOT interrupt or delay services. Waste Management will provide curbside pickup of trash, recycling and yard trimmings to all residents on their regularly scheduled service day, including Monday, September 4, 2017.
- The Woodlands Recycling Center at 5310 Research Forest Drive will resume normal operating hours starting Wednesday, September 6: Wednesdays from 4 p.m. to 7 p.m. and Saturdays from 9 a.m. to 2 p.m. *Tree branches up 12" in diameter are accepted here. No storm debris accepted.

Storm Debris Removal Services

General Information:

Follow the guidelines for debris pickup. The debris needs to be separated and placed on the county right-of-way for the trucks to pick it up. The contractors will not go on private property.

Residents should separate items into **6 different piles** in the county right-of-way. **DO NOT PUT DEBRIS IN BAGS:**

- Normal household trash – place in your Waste Management green cart. Excess normal household trash must be bagged and tagged with pink tags available at The Woodlands Township offices and at Kroger and Randall's in The Woodlands for \$1.75 each. Each bag of excess trash may not exceed 40 pounds.
- Vegetative debris (tree limbs, trees, shrubs, plants)
- Construction/demolition debris (sheetrock, carpet, wood, flooring, furniture)
- White goods (refrigerators, ranges, water heaters, freezers, unit air conditioners, washing machines, clothes dryers, and other similar domestic and commercial large appliances)
- E-waste (electronics)
- Household hazardous waste (paint, oil, cleaning supplies, fuel)
